SCA Wins Association of the Year!

Congratulations Summerfield—you've earned the 2013 Association of the Year in the Very Large Scale category of the Oregon Chapter of the Community Association Institute (CAI)! CAI is a local organization that supports homeowners associations and their managers, Boards, residents and volunteers. Each year, CAI offers an opportunity to self-nominate for the Association of the Year award in four categories (based on the number of units). The nomination process is fairly simple, just answer a few questions about the association and write an essay detailing the association's accomplishments, obstacles and goals. Our application was submitted by our Administrator and Summerfield was recognized at the CAI Kick-Off event in January. The committee that reviewed the applications said that Summerfield's was the most creative of all the entries! SCA Board President, Rod Sacconaghi, accepted the award on behalf of the association. Turn to page 6 to read the submitted essay. Again, congratulations Summerfield!

Clubhouse Roof Reminder

The Clubhouse roof project has started! The project is very weather related, so when we get those sunny spring days, you'll see the team of roofers and HVAC specialists around the Clubhouse. It will be noisy at times, but no events have been cancelled or rescheduled. They will work at every opportunity, including weekends. Please be extremely cautious around their dump trucks, debris bins, ladders, materials, etc. Thank you in advance for your patience!

Sunday, March 9th

going to bed
Saturday night.

SCA Annual Assessment now Past Due

Oops—the 2014 Annual Assessment was due by February 18th! We are now adding interest and late fees. The 2014 Annual Assessment is \$425 per person, with vacant homes assessed as if just one person occupying. We make many efforts to collect before turning over to our collection attorney...please avoid these costs and pay promptly! If you need to discuss this further, please call the office at 503.620.0131.

President's Message

February was a tough month weather wise. While most of us are glad to see the snow and ice go away, some are sad. On the Saturday of the storm's icy fury, I made it to the Clubhouse only to see 3 guys from Minnesota sitting on the frozen pond on the 9th hole on camp chairs around a hole in the ice....fishing poles in hand. One guy reeled in a nine iron....another snagged a putter. A hardy lot these folks from upper mid-west!

Without a doubt, the recent highlight was SCA receiving the Association of the Year from the Community Association Institute—Oregon Chapter. See Cari's article on the front page explaining the award.

In behalf of your SCA Board of Directors, we write the following:

Being selected the best association in the state of Oregon was due primarily to two facts. One fact was we had to overcome some major issues.....carpet contractor issues, pool filter issues, air conditioner/roofing/venting issues (contract signed...work already starting), new Clubhouse security system, just to name a few. The second fact was we had the resources i.e. employees, volunteers, plus residents willing to financially support our 1st class living community. Throw in the best darn 9-hole golf course, the best Golf Course Superintendent, the best Golf Pro in the stateand we were selected as the best in the State. It was, and is, a total team effort. Thank you to all of you!!!!!!

As with any winning team or business, one person has to take lead....must be the quarterback.....must keep the engine running smoothly. We have this person in our Administrator, Cari Froeber. She is the best there is at association management. With the more than able assistance from Diane Ragsdale, she is able to keep an army of volunteers, 10 employees, and an eclectic Board of Directors focused, energized, organized, and effective.

Without Cari, SCA would not be the Association of the Year for 2013. Some of you may recall we were also selected Association of the Year by CAI in 2009. The only common link between 4 years ago and 2013 is Cari.

So, when you come over to the Clubhouse to view our award plaque, take a few steps over to the office and thank Cari, and Diane, for being the key to our selection of Association of the Year.

"King" Rod Sacconaghi
SCA Board President
 rodsand@frontier.com

Thank you Summerfield Snow Angels!

During the snow storm in February, there were lots of snow angels that appeared out of nowhere to assist. Here are some of the amazing things that neighbors did for neighbors:

- Shoveling driveways
- Shoveling pathways to mailboxes
- Driving to the store for groceries for each other
- Delivering home baked goodies
- Walking their neighbor's dog
- Calling each other to check up on how they were handling the storm

At the Clubhouse, we had Rick, Rob & Chris clearing snow and laying salt—thank you!

SCA Board Meeting Report

This report is a recap of the meeting. For details, see the minutes on the Clubhouse bulletin board.

Present: Sacconaghi, Stayton, Auerbach, Jay, Lance. **Absent:** Wilcox (on via Skype), Rhodes, Parkinson, Hansen, Froeber. Meeting called to order at 9:00 AM. No visitors signed in to speak. Minutes approved from January Board Meeting.

Golf Course Report – Sullivan: Because of the snow, the golf course is closed and will remain closed for the next few days. No damage to the greens from disease or tree limb breakage has been noticed. The Tournament scheduled for Tuesday, 2/11/14 is rescheduled for 2/18/14. Bids for seal coating the cart paths are coming in. The price of seal coating has not increased significantly. The root damage done to the cart paths is a major repair. One option would be to root repair the damage this year and seal coat next year. The initial price for pond silt removal for the irrigation pond on #5 is between \$25,000 - \$31,000. Matt Kent, Mechanic is leaving for active duty for one year; his replacement is being sought.

Golf Pro Shop Report – Lindsey: January 2014 was a very good month due to the dry weather; income was 50% over budget. February is projected to be under budget because of the snow. Groupon continues to be a good promotion in the off seasons. On-line tee time reservations made through Golf Now generated \$10,000 in 2013. The Golf Bag Storage room has been redesigned and is near completion, special thanks to Glenn & Margaret Jay.

Treasurer's Report – Auerbach: January Total Income of \$459,655.46; January Total Expenditures of \$206,899.83 (includes Reserves transfer of \$152,500); Cash on hand as of 1/31/14 of \$390,850.60. General Reserve Balance as of 1/31/14: \$369,488.62. New Buyers Fee income for January was \$3,000. New Buyers Fee account balance as of 1/31/14: \$205,741.02. Total General Reserves plus New Buyers Fee account: \$575,229.64. Check registers reviewed for January. Motion made, seconded and approved to accept the entire Treasurer's report. Review of all financial reports. Discussion regarding Balance Sheet being labeled "Operating" to identify the funds listed.

Correspondence – Sacconaghi: Correspondence related to assessment collection, on-line directory opting-in, Clubhouse carpet history/info, sub-association treasurer assistance, City of Tigard water department regarding common area meters, Durham Road brick wall letter received from residents.

Unfinished Business: None

Administrator's Report – Sacconaghi: Per last month's discussion, printed/prepared maintenance schedule checklists that correspond to Reserve Study. Prepared for 2013 audit. Final wrap up at end of February and hope to have report for March Board Meeting. CAI Kick-off event was very informative and information about Association of the Year award in March Summary. Working on on-line Directory opt-in project. Leigh Wilcox added that we are close to being ready to "go live" with the directory; about 70% of the residents have opted in.

Report from City Liaison – Gerr: A meeting was held with Neighborhood Watch Chair and some committee members, City of Tigard Police Representatives and two Board Members to introduce the Elder Victim Program. As a result, an informative article appeared in the February Summary to introduce the concept to our residents.

New Business:

A. Architectural Manual Updates: Motion made, seconded and approved to accept Architectural Manual Changes as written. Updated version to be completed upon Administrator's return.

Directors Round Table:

Auerbach – Board Liaison to Volunteer Appreciation: The committee met last Wednesday and is well on their way to executing their plans for 2014.

Jay – Board Liaison to Architectural, Landscape, & Greens: Architectural Committee has spent the last three months on the changes to the manual approved by the Board. Landscape is not meeting during the winter. Greens Committee is looking into getting the shrubs trimmed or removed from the cart path at the #1 tee.

Rhodes – Board Liaison to Common Area Landscaping, Directory, Neighborhood Watch, Clubs/Activities: Sharon Hughes reported in Diane Rhodes absence that the CALC is looking into returning to city water for irrigation. The committee is meeting to revamp Committee books.

Lance – Board Liaison to Clubhouse, Marketing & Tennis: The Clubhouse Committee is meeting to look at the possible placement of round tables in the Ballroom. No report from Marketing.

Stayton - Board Liaison to Sub-Associations, Newcomers, Summary: Representatives from the 5 Townhouse HOA's met to discuss water usage and other common interests. The Newcomers Committee will be meeting this month. Barbara Lance, Chair, continues to look for ways to engage residents at the Estates.

Wilcox – Board Liaison to Pro Shop, Marshals/Starters, Website: The on-line directory is almost ready on the website.

Sacsonaghi – Board Liaison to Swimming Pool, Fair Housing, Library: The Pool Committee has met and reports the following: A. The existing winter cover is in good shape. B. Due to inclement weather the installation of new filter was postponed. C. The golf ball screen to protect the pool needs to be located nearest the source of the problem at the upper #9 tee box. D. The pump house ventilation improvement needs to be addressed. (Glenn Jay said that it would be during the roofing project.) E. The Committee is dropping the idea of covering the pool for winter use.

Rod Sacconaghi called for an Executive Session at 10:50 AM and all guests left the Conference Room. Upon returning from Executive Session at 11:03 AM, a motion was made, seconded and approved to provide a token of appreciation to office staff for their efforts in earning CAI Association of the Year award.

Meeting adjourned at 11:05 AM. Next regular Board Meeting is March 10th at 9 AM in the Conference Room.

Architectural Committee

STORM DAMAGE

Fences along property lines are addressed by both the Landscape and Architectural Committees. Arborvitae was planted years ago as a hedge. It has a height limitation of 72 inches which is the same limitation as a constructed fence. No one has told the arborvitae to not grow over 6 feet tall so many are now well over the limit.

The recent snow and ice storm has left many of those hedges in sad shape as branches have been bent out of shape. This is a good time to consider replacing a hedge with a 5 or 6 foot good neighbor fence. Neighbors can agree on the placement, on the materials, on the style and to share the costs of construction. In many cases the construction can be performed by one or both neighbors.

Added benefits of a cedar fence are appearance, no annual maintenance, access gates and more usable yard space. The total cost may be little more than the cost of repairing a too large hedge that can't be restored to before-storm appearance anyway.

Think of this as an opportunity.

Submitted by Your Architectural Committee

Lamppost "Glass" Replacements

Do you need to replace your lamppost's "glass" panels? You can get replacements, which are actually plastic, at the Golf Pro Shop, lower level of the Clubhouse. They are only \$2.50 each.

If you need to replace the entire lamppost, just submit a Change Request to the SCA Office and a helpful Architectural Committee representative will assist you.

9th Annual Garden Club Plant Swap

This always popular event will be on Monday, March 10th at 1:00 PM in the Lakeview Room. We call it the Plant Swap, but it's really an "Everything Relevant to Gardening Swap Meet". You can bring anything garden related, be creative and have fun! Bring plants you no longer want or dig up something to divide and share. Divide up all those extra seeds you saved and have too many of, save some for you, share the others. If you have no plants or seeds to share, how about a garden book you no longer want or pots, planters, tools, trellises, watering cans, stakes, gloves, fertilizer, even garden gifts you've received that "don't fit". And don't forget houseplants, they are also welcome. If you find you just have nothing to share, pick up a plant, some bulbs or packet of seeds at the store to swap. Or come with just your enthusiasm and take something new home to grow, love and enjoy.

Please label the plants and seeds so we all know what they are; include your name in case the new plant parent needs advice. If you would like to bring your "swapables" to the outside Lakeview Room doors, there will be people there to help you. Tables will be set up for display and easy sharing. We will have plenty of plastic bags to help you get your treasures home neatly.

Submitted by Sharon Hughes

Bible Study

The Summerfield Bible Study is currently studying the gospel of Mark. We meet every Wednesday from 12 PM - 1 PM in the Conference Room for our Bible study time. Then from 1 PM - 2 PM is a fellowship/prayer time for those who would like to stay. All Summerfield residents are welcome.

We look forward to seeing you! If you have any questions, please contact Pat or Paula Williams at 503.670.0113.

Computer & Technology

Cookies. Mmmmm, yum. We all like cookies. Did you know there are “cookies” in your computer? Is that a good thing? Should you cast them out?

Here’s another teaser. “There are two kinds of computer hard drives: those that have crashed and those that are about to.” Are you helpless in the face of this impending e-tragedy?

If you want to know the answers to these important issues, come to the next meeting of your Summerfield Computer and Technology club. Mark Mehall, computer expert deluxe, will walk us through the confusion. Be safe, not sorry!

10:00 AM Tuesday, March 11: Cookies
10:00 AM Tuesday, March 25: Backups

Meetings last for an hour or less and there is always time for your questions on ANY tech topic. Feel free to bring a friend, even if not a Summerfield resident.

Our usual meeting place is the Game Room. Please note we MAY move to the Lakeside Room.

Call Gerry at 503.430.7070 or ggcraig44@comcast.net if you have questions concerning the meetings.

Submitted by Gerry Craig

Cribbage Players Wanted

Cribbage players in the Game Room are always looking to meet new members. You don’t have to know how to play, we will teach you. It only takes two or more to play. We start every Monday at 9:30 AM and can play until 12:00 noon. Refresh your skills, we’d love to have you. See you on Monday mornings! Questions? Call Betty Mills, 503.620.9891

Submitted by Betty Mills

Something new is afoot! One more jackpot has been added to the evening! Draw the lucky number and it is yours! March 14th and March 28th from 7:00 PM to 9:00 PM.

1st Sunday @ Summerfield

MARCH 2nd, 1—4 PM

Invite your friends and family to tour multiple for-sale properties (homes, condos and townhouses). In the Clubhouse, you’ll find enthusiastic tour guides and Summerfield information packets. For details, call Robyn Dezendorf, resident broker with Keller Williams Realty, at 503.407.9102.

MARCH 2014

CAI Association of the Year Essay

Submitted by Cari Froeber, SCA Administrator

Sometimes, as the Administrator for the Summerfield Civic Association (an age 55+ community in Tigard, OR), I feel like Dorothy in The Wizard of Oz. And in 2013, I felt like saying, "Toto, we're not in Kansas anymore..." What a year! 2013 was certainly the year of overcoming obstacles, rising to the challenge, and being appreciative for what we have here in Summerfield.

After the symbolic tornado, I found myself heading down the yellow brick road, chanting "Carpet, Fobs and Roof, oh my!". It started in January 2013, with the implementation of the Clubhouse security and access control system. This entailed exchanging old Clubhouse keys for new 'fobs' for each resident and teaching them how to use the system to enter the Clubhouse. In addition to the access control, security cameras were added around the Clubhouse to aid in the safety and security of our residents. This complex system and plan took months to prepare for and the conversion went surprisingly well, thanks to a host of resident volunteers, dedicated staff and a professional vendor.

Next it was determined that we needed to replace our upstairs Clubhouse carpet...again. The contractor/designer team hired in 2011 had made a grave mistake and installed residential carpet instead of commercial carpet. So off to see the Wizard I was....asking for the correct carpet. With some of the settlement money received from the error, the Board authorized the purchase of confirmed commercial carpet and the installation was set for March. But then, much like Dorothy's obstacles on the yellow

brick road (the apple trees, the poppies, etc.), we ran into some issues with the carpet installation. Since the residential carpet had only been down for a short time, the glue had not 'cured', so as it was being pulled up, it pulled up the old underlayment too. Now we needed new underlayment and the next obstacle was the attempted installation by the contractor of incorrect underlayment. The final obstacle on the carpet installation was the incorrect seams, as the installer made the wrong cuts. At last the seams were covered with some beautiful accent strips, without anybody knowing that it wasn't the original design.

And the Clubhouse roof....the roof that has had various leaks and problems since its inception. Fix or replace? What would the Wizard say? The Wizard said replace. And while we're up there, replace the rotten wooden enclosure that screens all of the HVAC equipment. And while you're up there, replace the defunct A/C unit too (which entails replacement by crane!). All of these decisions, bidding and consultations were throughout 2013, with the actual work beginning in spring 2014.

Between all of the work related to the "Carpet, Fobs and Roof, oh my", there was plenty of regular association business to conduct. With 1,200 residential units and 1,625 people in this age 55+ community, there is always something going on---from regular Board Meetings, to annual assessment collections, to swimming pool season, to Annual Meeting and new Directors season, to budget season. One of the main highlights of the year, however, was golf course revenue. The Summerfield Golf Course

Congratulations!

*Continued on
Page 7*

Book Club

CAI Essay, Continued

exceeded the golf revenue budget for the year by \$31,000 and was \$46,000 over 2012. The best news is that we were just \$4,000 short of the all-time revenue record from 2003---AMAZING! We have the best Golf Course Superintendent / crew and the best Golf Pro / team and it shows. The mix of immaculate course conditions, along with the marketing efforts and superb customer service from the Pro Shop, created this fantastic and successful year.

After visiting Oz and receiving the gifts, it is time to head back to 'regular' Summerfield. While 2013 was challenging, exhausting, colorful and successful, I'm looking forward to the plain black and white version for 2014. And ultimately, each and every day, the residents and I are able to proudly and gratefully say "There's no place like Summerfield....there's no place like Summerfield..."

The March Book Club book, Anne of Green Gables by Lucy Maud Montgomery, brings back memories of enjoying it years ago with my girls. As my daughter Laura says now, "It was good when I read it in the 80's and is probably just as good now, even though it's set in a much earlier time."

Lucy Maud Montgomery once lived in Prince Edward Island where this story takes place, and wrote this story looking out on those same hills. Also, she actually knew of a couple who asked for a boy from an orphanage but got a girl instead. To me, this makes this story all the more charming! Matthew and Marilla Cuthbert, a brother and sister in their 50's and 60's, wanted to adopt a boy to help with the work on their farm. Instead, they got Anne! Matthew was charmed at once by the freckle faced, red haired, imaginative and talkative girl, but Marilla considered Anne too outspoken and was ready to send her back to the orphanage. However after a few days Marilla decided that she would be a good influence on Anne; also she found out that a disagreeable woman in town also wanted her, so to keep that from happening, Marilla let Anne stay. What follows is the story of how Anne settles in to her new home and school and grows up, making friends and embarking on a series of adventures and misadventures that are sure to capture your own imagination; and heart!

Enjoy reading Anne of Green Gables and then come and join us on Tuesday, March 11th at 2:00 PM in the Conference Room of the Clubhouse to discuss it.

Submitted by Julie Helle

From the Volunteer Appreciation Committee

Ever wonder what happens to the items we return to the Summerfield Library? How do these items we return magically disappear from the drop off table and reappear in the proper place on the shelf? Who gets rid of the old magazines and books? Poof! They are gone. It's not magic. Summerfield happens to have a great Library Committee of 11 residents. Actually since 2002, a total of 24 volunteers have served residents in the Library. **Larry Smith and Bud Bennett** give behind the scene support delivering the outdated materials to Rehab Nursing Homes, Assisted Living Residences and The Gospel Mission. From all the "Book Worms" in Summerfield, **we send a big thank you to Colleen Upright, Chairman and Barbara Claire, Sandy Popkes, Priscilla Jamieson, Sally Jones, Linda Gray, Arlene Gintz, Mea Alford, and Mary Haise.**

Submitted by Wendy Pfeifer

Thank You Library Committee!

Summerfield Activities (Planned by the Summerfield Activities Group)

HAPPY HOUR celebrating St. Patrick's Day. Wear your green (or else you-know-what will happen) and come to the Lakeview Room on **Friday, March 14th from 5:00-7:00 PM**. There will be **LIVE IRISH MUSIC** presented by **EQUINOX**, Summerfield's own Band! Please BYOB and a snack to share. Extra credit will be given for bringing green food!

JUST-FRIENDS SUMMERFIELD SINGLES: These activities are open to **ALL** singles in Summerfield.

- **Planning meeting: Saturday, March 1st, 11:00 AM** in the Conference Room. Bring ideas for spring activities.
- **Watch the Oscars! Sunday, March 2nd at 6:30 PM** downstairs at the Clubhouse. BYOB and a snack to share.
- **Miniature Golf:** Spring is here, and it's time to get outside. On **Friday, March 7th**, we'll go to the **Fun Center** in Wilsonville. Golf will cost \$7.25 for 18 holes. To carpool, meet at the Clubhouse at **10:30 AM**, or meet there at 11:00 AM. More info at: www.fun-center.com.

Dinner out twice this month!

- **Tuesday, March 11th at Claim Jumper** (18000 SW Lower Boones Ferry Rd, Tualatin, 97224). Meet in the bar for Happy Hour at **4:00 PM**. Check out their menu at www.claimjumper.com.
- **Thursday, March 27th at Blue Agave**, a Mexican restaurant at 11525 SW Barnes Road, Portland, 97225. To carpool, meet at the Clubhouse at **6:15 PM** or meet at the restaurant at 6:30 PM. www.blueagave.com

ON-GOING ACTIVITIES:

MEMOIR WRITING GROUP: Tuesday, March 4th, 1:00 PM in the Conference Room. The assignment is to write about your driving lessons and/or your first automobile. Bring a photo of your first car if you have one, or you may write on any topic related to your past. New participants are welcome.

B# (Be sharp) and join the **SUMMERFIELD SINGALONGS** on the **first & third Fridays at 2:00-3:00 PM** in the Ballroom. You know you sound good in the shower so share that talent!

DEMENTIA/ALZHEIMER'S SUPPORT GROUP: Tuesday, March 18th at 1:00 PM in the Conference Room. The speaker will be Dan Dotlich from Gentiva Home Health. He will discuss understanding Alzheimer's and Dementia and knowing what resources are available to families, caregivers and the patient.

S₁ SCRABBLE and MEXICAN TRAIN will continue on the **first and third Friday nights at 7:00 PM** in the Game Room.

If you would like to help plan activities or have questions, call Barbara Roth: 503.477.2481.

Qigong (pronounced chee-gong)

Afraid you might embarrass yourself by trying something new? **What is Qigong?**

- Qigong is not yoga and it is not aerobic exercise
- Qigong works with the body’s energy
- Exercises are made up of breath work and simple stretching movements utilizing both standing and sitting positions

Why would I want to do this?

- Qigong awakens the body with renewed energy
- Calms the heart and mind
- Helps fight stress
- Helps maintain memory

Don’t just think about it, try it. It’s fun! Besides,

“For every 20 minutes of exercise, you add a day to your life.” (anonymous)

If you choose the “easier, softer” way you’re going to miss out on **your life**.

Decide: start living or be a couch potato.

Classes are held in the Clubhouse Lakeview Room & Ballroom every Tuesday from 11:45 AM to 12:45 PM.

Instructor is: Susan Hones 503.307.4780

Submitted by Joe Massaro

SCA Liaison / City of Tigard News

The introduction of the EVRP (Elder Victim Reassurance Program) has begun with an initial meeting back in January. Next steps will be joint meetings with the City of Tigard Police representatives and the SCA Neighborhood Watch.

The SCA Board is considering a request to the City of Tigard council about safety upgrades of the intersection of 98th Avenue and Summerfield Drive. If you have any comments about this, please email them to me, marvingerrsc@gmail.com

Submitted by Marvin Gerr, SCA Liaison to City of Tigard

AED Reminder

Summerfield has TWO AEDs (Automatic External Defibrillators), one located inside the Clubhouse and one located at the golf maintenance shop.

In the Clubhouse, it’s located at the top of the stairs, near the Coat Closet. When you open the cabinet, a high pitched alarm will sound—that is intentional, to alert others that the AED is needed and that your assistance may be needed.

In the golf maintenance shop (corner of 98th & Summerfield Drive), it’s mounted on the wall between the men’s restroom and the shop door, easily accessible to those playing golf on the east end of the course. The chain link gate with access to that hallway is open/unlocked at dawn and closed/locked about an hour before dark.

What is an AED? It’s a computerized medical device that can check a person’s heart rhythm and if necessary, advise the rescuer that a shock is needed. The AED uses voice prompts, lights and written text to tell the rescuer the steps to take. Access to an AED means the difference between life and death when Sudden Cardiac Arrest (SCA) strikes. In all reports of survival, the shorter the time from collapse to defibrillation, the better the chances of survival.

Anybody can learn to operate an AED safely. If you’re interested in taking a class locally, contact LifeLine Health & Safety at 503.243.2277 or check out their website at www.cprlifeline.com.

Women's Golf Club

Winter golf continues, even in the rain, but not the snow! We have 56 ladies signed up for winter golf and most of the weather has allowed lots of play. The **Winter Golf Luncheon** will be held March 20th at 11:30 AM in the Lakeview Room. All ladies who signed up for Winter Golf and paid the fee are invited to the luncheon. We will be celebrating gross and net winners, as well as the many birdies, chip-ins, and a **Hole-in-One** made by **Marilyn Launder!** For questions call Cheryl Baldwin, 503.968.1853, or June Miller, 503.430.8340.

Looking ahead to summer fun, our **Opening Luncheon** will be on Thursday, April 10th. Check the poster in the Golf Lounge for more information.

For our 2014 golf season, we will initiate "**Pay for Play**" for \$1.00 on Tuesdays and Thursdays. The first play day will be on Tuesday, April 15th.

The annual **Charity Auction** will be held July 12th in the Clubhouse. This year the Women's Golf group will be working to raise money for two charities and they are: **THE GOOD NEIGHBOR CENTER** and **THE OREGON FOOD BANK**. Please start thinking about what you can contribute to the auction. If you have questions and/or contributions, you can contact Beth McPherson, 503.430.1275 or June Miller, 503.430.8340.

Let's play golf!

Submitted by Sharon Strain

Tennis Time

Want to play tennis? Come on down and have some fun on our beautiful tennis courts! All players and skill-levels are welcome. Help is available for beginners and new players. If you'd like to play, here are the designated times:

Men: Monday/Tuesday/Thursday/Sunday
8:30 AM to 10:00 AM (Weather Permitting)

Women: Wednesday/Friday
8:00 AM to 9:30 AM (Weather Permitting)

From the Golf Pro Shop

By Rob Lindsey, PGA Golf Professional

Spring is just around the corner. Despite the snow in early February and most recent rainfall, the golf course is in amazing shape.

We will again be offering our club tune-up and re-grip special. Give us a call to schedule a time to come in and see if your clubs are properly fit for you. The cost is only \$10. During the month of March and April our re-grip special will be \$1 per club (+ the price of the grip) and 50% off any adjustments needed on your clubs.

Don't forget about lessons. This is a great time of year to be working on your game. Call Rob in the golf shop for pricing and availability.

The club storage project is now complete. I want to thank all the existing members for putting up with the inconvenience. I think everyone will agree that the improvements were much needed and welcomed. I want to especially thank **Glenn and Margaret Jay** for all their help with the renovation. If you haven't paid your 2014 club storage dues, please do so ASAP. It looks as if the renovation helped us increase the number of stalls so if you haven't stored your clubs with us before and were thinking about it, please see Rob for available space. The cost is \$35 for the year.

For those that are OGA members and are interested in playing in Pro-Ams, please see Rob in the golf shop.

An Irish Blessing...Happy St. Patrick's Day!

May you always have...
Walls for the winds
A roof for the rain
Tea beside the fire
Laughter to cheer you
Those you love near you
And all your heart might desire.
