LEGAL CONDITIONS

Although the Board of Directors for Summerfield may review any and all aspects of a proposed Modification to a residential unit in Summerfield pursuant to the Restated Declaration of Conditions and Restrictions for Summerfield Civic Association (the "Declaration"), no approval of the Board of Directors is intended or should be construed to provide any representation or certification that the proposed plans, specifications, design, construction, engineering, modification or alteration is structurally sound, properly engineered, geophysically appropriate, legally or safely constructed or built according to the applicable building code or land use laws and regulations. Neither the Board of Directors, any member thereof, or the Association shall be liable to any owner, occupant, or other person for any damage or loss suffered or claimed as a result of the construction, existence or failure of the Modification, or for any other claim, demand, suit or action attributable to or associated with the Modification.

Changes should not occur until approved by the SCA Arch/Land Committee (even if approved by a sub-association).

I agree to the above requirements and conditions.
