Summerfield Historical Display Unveiling

The Summerfield Historical Display will be unveiled at the Coffee at the Clubhouse on **Monday, August 8th at 10:30 AM**. You are cordially invited to come for coffee starting at 9:00 AM to hear about Summerfield's early history. The new display will be unveiled at 10:30 AM. The display will explain the early pioneering donation land claim on which Summerfield was built, and the vision of Summer-

field's founder Ron Sorensen. Mr. Sorenson built our adult living community with his Tualatin Development Company. Come and review with us Summerfield's history and our area's roots.

Summerfield extends a special thank you to resident Barbara Peterson (Summerfield Historian) for her work in collecting material and creating this fabulous display.

Thank you also to residents Bob Johnson and Dan Merrell who designed and constructed the wonderful display case.

August 9th: Annual Charity Silent Auction

All Summerfield residents are invited to participate in the Annual Charity Silent Auction held on **Tuesday, August 9th**. We have many great items donated by local merchants and Summerfield residents this year! Please join in the fun and support this worthy cause which is for the benefit of the Good Neighbor Center in Tigard. Come to the lobby of the Clubhouse between **8:00 AM and 6:00 PM**; you may bid on an item or pay a set price and take the item with you immediately. Winners will be notified that evening. Questions concerning the Silent Auction may be directed to Sandy Brewer at 503-968-6440, or Jan Vanderpool at 503-624-6984; both of the Summerfield Women's Golf Club.

President's Message

As your newly elected SCA Board President, I would like to thank the retiring Board members Avonelle Barton and Jerry Durgan for their very productive 3 years. During their time in office, the golf course irrigation system was installed, the Clubhouse was renovated, a new Golf Professional was hired and the first phase of the east end landscape project was completed. That was a very significant number of accomplishments.

I would also like to welcome our new Board Members, Leigh Wilcox and Rod Sacconaghi. I am sure they will be a great addition to the Board. At our meeting next month, we will be developing a "bucket list" of issues/projects that we would like to address in the coming year. If anyone would like to add something to our "bucket list," put your written request in an envelope, mark it "bucket list" and drop it in the mail slot in the office. In the next 2 months, we will prioritize the bucket list and start working on those with the highest priority.

Again I'd like to welcome our new Golf Professional, Rob Lindsey. Rob has stocked the golf shop with some very nice Summerfield logo shirts and jackets which we all should be proud to wear, even if you are not a golfer. If you like living here and would be proud to let your friends and others know, stop in to the golf shop and check out Rob's selections. The Board, with Rob's support, is encouraging outside public play at our lovely golf course as an effort to keep our membership rates at a reasonable level. If you have friends who are golfers, encourage them to visit us and experience our fun course.

Rick Pfeifer
SCA President

Dance Club

We had 70 people attending our first dance of 2011! Yeah! Thank you to the Trawicks who announced the event last Thursday at the Elsie Stuhr dance. The great music of the Swing Street Glenn Tadina Quartet had us on our feet dancing most of the evening. They also played song requests from our guests. We planned two mixers to be sure our single ladies had a chance to dance. Also, ladies were happy to have two male instructors, Paris Guffey and Steve Stowell from The Ballroom Dance Company in Tigard, to dance with them. They are planning to be at the next two dances as well. I want to thank all of the people from the Dance Club who volunteered to set up and take down. That was a tremendous help, and volunteerism is what makes Summerfield Clubs successful! Hope to see more of you for our Sadie Hawkins dance on September 17th!

Our two hundredth guest of the year came through our doors in the form of John Hohn. We were happy to present him with a night of free Bingo and some candy to munch on.

"Hot Summer Nights" are proving to be just that. Rosmary Close was hot, hot, hot as the night's Big Winner.

Library Donations

If you have a donation of more than one sack full, please contact the Chairman of the Library Committee, Colleen Upright, 503-620-4809. Some residents are dropping large boxes of books, many unacceptable (too old or not in good condition). While we are grateful for donations, we do not have the space for a large number of out-dated publications. Thank you for your cooperation.

Tai Chi Class

Come join us on Friday mornings from 11:00 AM to 12:00 in the Clubhouse Ballroom. During this Tai Chi/Qi Gong class we do more stretches than Tai Chi. First we start off loosening up our body, which is really good for our circulation and mobility. Then we do some Tai Chi/Qi Gong, which is really good for our balance and connecting us to our inner self. Cost is just \$5.00 per class. Please contact me if you have any questions.

Directors Reports

Barton – Clubhouse Committee: The Clubhouse Committee is assigned the job of keep-

ing abreast of what needs to be done and taking care of it themselves or for larger jobs getting bids and submitting them to the Board for approval. This year the committee has been chaired by Barbara Lance and she has done an admirable job. This past year a Clubhouse Sub-Committee was formed for the specific purpose of the renovation of the Clubhouse. Please give recognition to the following residents for a job very well done: Joyce Astrup, lead member; Wendy Pfeifer, Chris Harris, Dave Rhodes; and when Dave went south, Dick Van Dyke. Thank you to all!

Durgan – Liaison for Common Area Landscape Team:

The Summerfield Common Area Landscape Team consists of Georgina Allen, Paul Ochs, Bob Van Vlack and Sharon Hughes. The team has the responsibility of all landscaping not associated with the golf course or the regular Landscape Committee. They have designed and installed areas such as the flower garden on Highland Drive at the 8th tee box, the entrance to Summerfield at 104th Street, and at our own Clubhouse. If you missed any of these, you certainly cannot miss what has been done at the east end of our Clubhouse. Thank you team.

Kerns – Liaison for the Newcomers Committee, Directory, Fair Housing, Clubs:

For the Newcomers Welcome Committee, thank you very much to Chair Susan Van Lente. The Committee hosts three meetings a year for our new residents. They also deliver Information Packets about Summerfield to all new residents prior to the welcome receptions. Special thanks to Mary Shute who arranged the refreshments at the receptions.

For the Directory, work begins in August and September in order to finish prior to early November. Directories are distributed at the time residents pay their yearly fees. We began collecting e-mail addresses for the Summerfield office use last year and will continue doing that this year. At some point residents may be asked if they want their e-mail printed in the directory but we will not print those addresses without written permission.

Fair Housing: Just a reminder that the office is required to maintain accurate age

verification of our residents in order to maintain our age 55+ designation.

Clubs: There are so many clubs in Summerfield that I always tell people that if you are bored living here, it is your own fault. Several of the clubs are eager to have new members join. One of the exciting things that happened this year revolves around the activities of the Social Club, whose main function is to encourage new activities and events to form and get underway.

Nottingham – Liaison for Marshals Committee, Greens Committee, Pro Shop:

Again this year, we enjoy one of the best maintained golf courses in the Portland area thanks to the great work of Rick Sullivan and his crew. Ray DeLuca, Chairman of the Greens Committee, and his members have continued their work with Rick Sullivan to ensure the high quality on the course. Many thanks to our Marshals and Starters for their outstanding performance during the last year. The Marshals have been led by Larry Launder and the Starters by Roy Love. On March 1st, Rob Lindsey became the Golf Professional for our Golf Pro Shop. We have all enjoyed our association with Rob and we appreciate all of his efforts.

Pfeifer – Liaison for the Landscape Committee & Tennis Committee:

The Landscape Committee, currently under the chairmanship of Art Krueger, is made up of 6-7 volunteers who review all Landscape Change Requests for compliance with the Landscape Manual. In the past year, this committee has cleared 129 Change Requests. Compliance with our governing documents, including the Landscape Manual, is what makes Summerfield as beautiful as it is. Thank you to the Landscape Committee. The Landscape Committee would like to thank all residents for their concern and compliance.

For Tennis Committee, thanks to the tennis players for their dedication to the game and self- management style.

Thiemann – Liaison for Architectural Committee & Swimming Pool Committee: During the 2010-2011 fiscal year, the Architectural Committee of six

Continued on Page 7

Annual Meeting, Cont.

members serviced 175 Change Requests, consisting of 199 projects. Most notable included 34 house paintings and sidings, 17 patio decks and covers, 17 roofs, 18 fences, 18 windows and doors, 10 driveways and walkways and many other miscellaneous projects. Another notable accomplishment was the installation of two new community benches. The Architectural Committee wants to thank all the residents for their cooperation regarding changes to homes. The entire Architectural Committee deserves a special thank you for their dedicated work towards the maintenance of our community.

The Swimming Pool Committee information was provided by volunteer Dolores Tate, who graciously stayed on for another term as Chair. For May through October 2010, 4,466 people used the swimming pool. Please note that there is now an emergency telephone out by the swimming pool, with a direct connect to 911 only. Also, the SCA Board approved the installation of an automated chemical feeding and monitoring system. It will improve the pool water conditions and reduce the number of times per day for volunteer manual testing. Finally, a special thank you to all of the Swimming Pool Committee members for their dedicated work.

Vogel – Liaison for Neighborhood Watch, Marketing & Communications & Summary: The Neighborhood Watch program is chaired by Diana Poorman. Diana is the coordinator of this volunteer group which was started several years ago to increase security on our neighborhood blocks and within our homes. With the help of approximately 14 Area Coordinators and 77 Block Captains, Diana has trained coordinators and updated a listing of 1078 households. This fall, Neighborhood Watch will sponsor informative meetings for all residents on fire prevention and earthquake preparedness.

The Summary: It has been almost one year since volunteer Sharon Hughes turned over the compilation and editing of the Summary to Cari Froeber, our Administrator. Cari says it is a big task, but she really enjoys doing it. Thanks go to each Committee and Club that contributes articles and information. Special thanks to our amazing delivery manager, Lela Thompson, for organizing the hand delivery each month and to the dozens of residents that make deliveries.

The very active Marketing & Communications Committee is chaired by Leigh Wilcox. The committee developed a marketing plan that has an overall goal to increase public awareness of Summerfield and our excellent golf course. Subcommittee work has focused on the recent successful Summerfield Showcase open house, a golf course advertising plan, website re-development and improved signage. Special thanks to Roy Love who chaired the open house subcommittee and Diana Miller and Ken Miller, who co-chaired the event. Thanks also to Rob Lindsey for his golf course marketing efforts, Ron Stark for the website improvement efforts and Dick Fleming on the signage efforts.

Administrator Report: Summerfield is so lucky to have such a dedicated Board of Directors. Please take the time to thank a Board Member. Our two outgoing Board Members, Jerry & Avonelle, have been amazing, strong contributors to the success of this association and I thank them both. We've done a million things in the last year, but the five that stand out the most for me include taking over the editing of the Summary, the upstairs Renovation, the search for our new Golf Pro, the Summerfield Showcase event and the east side landscaping

project. Thank you to everybody that helped with those unique projects. As always, thank you to our team of employees here. Since we have such a small paid staff, we really run on volunteers and I thank each Committee member, Club and activity that supports this organization. If you're even thinking about volunteering, but not sure how you can contribute, please give me or a Board member the opportunity to talk to you about ideas and needs. Thank you Garden Club for the beautiful floral arrangements and for helping with the refreshments. There are so many behind-the-scenes people who do so much of the dirty work, from the residents who pick up dog poop that didn't come from their dog, the residents who cleaned the graffiti off their neighbors wall, the neighbor who pulled the weeds from the vacant lot next to them, the residents who get on their hands and knees and help with the carpet stains...thank you. It is very rewarding to serve this community, though some days can be more challenging than others, but I do want to say thank you from the bottom of my heart.

Presentation of New Officers: The Board of Directors adjourned during the Administrator Report to elect new officers. Upon their return, President Durgan announced the new officers of the 2011 – 2012 Board: Rick Pfeifer – President; Mary Kerns – Vice President; Bob Nottingham – Treasurer.

The gavel was passed to the new President, Rick Pfeifer, along with the spare set of office keys. Rick thanked Jerry and Avonelle for their three years of service and summarized their accomplishments over the past three years. Jerry & Avonelle were each presented a thank you card.

Meeting adjourned at 7:50 PM and refreshments were served.

Architectural Committee

Times-a-waste-n. The good weather construction season to complete home repair and maintenance projects is half over. It seems as if summer had just begun and already we are hearing back to school ads.

When planning a project, reading the dos and don'ts in the Architectural Manual and also following the instructions on the Change Request Form itself can speed up approval to proceed.

Committee members volunteer to help you adhere to Summerfield Civic Association Conditions and Restrictions that apply to your projects.

Please welcome two new volunteers, Leslie Casey and Ken Rose.

Summerfield Book Club

The Summerfield Book Club will meet on Tuesday, August 9th at 2:00 PM in the Clubhouse Conference Room to review the biography, Shakespeare: The World as Stage by Bill Bryson. Betty Brader will present the background of the author and lead the group discussion. All Summerfield residents are welcome!

As one reader writes, this is a “good little read.” The book is a synthesis of everything you wanted to know about Shakespeare (the few facts that are available) - a 196 page book that doesn't leave out anything essential. One could say that, instead of a biography, a history lesson is offered that disproves many of the myths about Shakespeare's life while offering a witty account of the times in which Shakespeare lived. “Although he left nearly a million words of text, we have just fourteen words in his own hand - his name signed six times and the words, ‘by me’ on his will. . . . George Stevens observed that ‘all we know of William Shakespeare is contained within a few scanty facts: that he was born in Stratford-upon-Avon, produced a family there, went to London, became an actor and writer, returned to Stratford, made a will, and died’ . . . It is not all that far from the truth.” (Bryson)

Thinking about reserving a room in the Clubhouse?

The Clubhouse is available for Summerfield residents' private parties (birthdays, anniversaries, etc.). We offer a very reasonable usage fee of just \$2 per non-Summerfield person (plus a refundable deposit if you leave the facilities clean and everything back in place). The exception to the \$2 per non-Summerfield person fee is for memorial services of current Summerfield residents. The first thing to do is to call Sharon Wilcox from the Clubhouse Committee to see if your requested date is available. She is the Calendar Coordinator and is the only person who readily knows if space is available. Pick up a Summerfield Clubhouse Use Application from the Clubhouse lobby or on-line. Read it, fill in the information, sign the back and return two copies to the Clubhouse office (slide it into the mail slot if the office is closed) with your check for the required fees. If there are two inquiries for the same date, the first application and check received secures the date. A copy of your application will be returned to you, signed by Sharon and marked “Posted.” Keep this for your records – if you're using the Ballroom, Lakeview room or Kitchen, it has a lot of information on the back about all the things you'll need to know. If you decide not to use whatever room(s) you have reserved, please

call Sharon and tell her you've had a change of plans. Prior to your event, the Clubhouse Committee's Special Events Advisor, Grace Ann Lynch, will contact you to explain the ins and outs of using equipment in the Lakeview, Ballroom and/or kitchen. **Just a reminder that a Summerfield resident must be present at all times guests are present...**and that includes when the caterers are setting up and cleaning up. Also, the Lobby is never reserved for private events. It is always left open as a gathering place for residents.

It's my pleasure to announce a new women's golf start-up group here at Summerfield. The goals and objectives of this group are to provide an avenue for women to learn and have fun playing the game in a non-competitive format. On July 12th we had an organizational meeting and were very pleased to have 32 women sign up for the new group. Clubhouse Committee

This month we thank Rod Sacconaghi for his short term of service on this committee. Rod is now a member of the SCA Board of Directors. In his short time with us he did complete the project of the replacement of rotted fascia boards and installation of new gutters and downspouts. The Clubhouse Committee is seeking a male to fill Rod's position. Please call Barbara Lance with any questions regarding a position on the committee. Thanks to Pat Shute who saw that the flags were posted for the Open House, Flag Day and July 4th.

The Green Corner

By Kathy Peper

Though many aspects of our culture encourage us to believe that the important things in life are wealth and fame, extensive academic research across different countries and cultures has shown that happiness has little to do with spending money. The most contented people are those who spend their time helping others and contributing to their community. From peeling potatoes in a soup kitchen to working pro bono, volunteering gives you an opportunity not only to increase the social capital of the nation – the cornerstone of its economic prosperity – but also to find personal fulfillment in an activity that doesn't revolve around consuming resources. Reduce. Reuse. Recycle.
