President's Message

Definition of Volunteer: a person who voluntarily offers himself or herself for a service or undertaking; a person who performs a service willingly without pay.

Volunteers are the lifeblood of Summerfield. We would not have the wonderful community we all love and enjoy without the many kind and caring Volunteers dedicating their time and talents to help.

At Summerfield, we have 13 Board-Appointed Committees to serve the needs of Summerfield. They cover an area such as Architecture/Landscape, Clubhouse, Common Area, Greens, Library, Marketing,, Neighborhood Watch, Newcomers Welcome, City of Tigard Liaison, Newsletter, Swimming Pool, Volunteer Appreciation and Website Team. All of them are managed and run by volunteers! In addition, we have 44 Activities and Clubs from Art to Yoga, all run by volunteers. They may not be paid but they make a difference in our lives. We would not have all the amenities or services we utilize without them. The cost of these services without them would be difficult to calculate but it would be expensive.

These days where companies struggle to find employees for many positions and services offering increased pay and benefits, we are so fortunate to have our volunteers willingly serving around the Clubhouse and see the efforts of the Clubhouse Committee coordinating events, cleaning the kitchen, planning the remodel that has taken place in so many areas, decorating for the season, making sure we look great! We have a wonderful Library with a wide selection of materials all managed by volunteers. The Arts and Crafts Room is always a buzz of activity with quilt making, artists and crafters creating. Our Swimming Pool is beautiful, clean, and well run due to the efforts of our Pool Committee Volunteers. Architecture/Landscape is consulting and meeting every day with residents who are remodeling, painting, roofing, and doing landscape projects. They are ready to provide direction and process all paperwork promptly. Our *Summary* Newsletter is also completed with volunteer help.

This month we will honor volunteers on all Board Appointed Committees for their time. We should honor them every day for their support. And... as you can imagine, we are always looking for volunteers. Many serve on a Committee for a prescribed amount of time and there is always a need for new members.

Saturday, October 1, 2-4 PM is the Newcomer's Fair Meet and Mingle for all new residents to learn more about our community and to offer information on Committees and other Volunteer Opportunities. Meet new people, make new friends and be a part of our Community!

Remember that Volunteerism is a currency that appreciates.

SCA President 2010 - 2011

We extend our deepest condolences to Darlene and family.

BEING A GOOD NEIGHBOR applies to all residents who live in Summerfield year-round.

BEING A GOOD NEIGHBOR also applies to the fortunate residents who leave Summerfield during the Winter months for warmer climates and abundant sunshine.

Practice **BEING A GOOD NEIGHBOR** by considering the following points:

- Have you done your Fall yard clean-up?
- Have you made arrangements for ongoing yard maintenance while you are away?
- Are your light posts working and the bulb illuminated?
- Have your gutters been cleaned to assure they drain properly?
- Is your outdoor furniture covered and secured?
- Does a neighbor/friend have your contact information in case of an emergency?

BEING A GOOD NEIGHBOR assures everyone that your property is being taken care of and is not the responsibility of your neighborhood.

Thanks for **BEING A GOOD NEIGHBOR**.

Do you enjoy Monday Coffee?

We need help to continue Summerfield's Monday Morning Coffee gatherings. If Coffee is to be continued, we need more people to prepare the coffee and a team or individual willing to take a leadership role.

The leadership role would entail scheduling the volunteers who make the coffee and clean up. Buy supplies: coffee, cups, cookies, cream, and anything else that helps make the coffee gathering work. Plus, you get to work with a great group of people, and you don't have to get up early, just keep us organized.

For more information, please call Gloria Vanderzanden at 503-799-1799, or Lona Olson at 503-453-7827

Many of you have been patiently waiting for this Class!! If you have never danced before or if it has been a while and you feel the need for a refresher course, this class is for you. You will learn the 23 plus basic steps of line dance. Once this is accomplished you will be able to learn new dances with ease.

Each class will be progressive. By that I mean each class you will learn 2 – 3 new steps and immediately learn a dance using those steps. Every week will be a review, repeat, and add-on, therefore, consistent attendance is pretty important.

Join this Class Monday mornings from 10:30 – 11:30 AM beginning October 24. Dress comfortably and wear shoes that can slide across the floor. Tennis shoes and flip-flops are not usually a good choice. No need to sign-up in advance, just show up in the Ballroom planning to have a great time.

FUN WITH HAND & FOOT Lessons Offered

We have a very fun, casual group who plays every **Tuesday at 1:30 PM in the Game Room. Please plan on being there 15 minutes early for the table assignment.**

We start to play promptly at 1:30. Late arrivals cannot be seated, as table seating is drawn and we cannot interrupt a game that has started.

If you have never played or feel rusty, Susan is offering tutorials at noon on Tuesdays, just before the regular games, **to those who RSVP at least a day ahead.** Learn the basics without the pressure of a game. You may direct questions or RSVP to Susan by phone at 818-648-5356 or by email at scallihan7308@gmail.com.

The Hand & Foot group will no longer require masking unless OHA returns to mandate. Some of our players may choose to continue masking, and that is their prerogative. However, by consensus of our regular players, we will continue to require that players be vaccinated due to the number of immunocompromised or at-risk members of the group and the periodic resurgences of this virus and variants around the country.

We ask that if you travel, or are in close contact with someone who has recently traveled, to not attend for 5 days after your return or after that contact. If you feel ill, please do not attend.

THE NICK KIMMEL STORY - TRAJEDY INTO TRIUMPH: You might not have heard of the Simpson Cup. It's a golf competition between the U. S. & Great Britain. What's unique is all the players are disabled veterans. I had tuned into the Golf Channel and they were interviewing Nick Kimmel, who had quite a story to tell. Nick lost both legs and left arm to an IED in Afghanistan. Nick was also a gifted athlete who once played golf. After a long recovery, two of his buddies got him back into golf. He was hooked. Playing golf gave Nick a renewed purpose in life, and golf was the catalyst.

The story gets better. Through hard work and support, Nick made the Simpson Cup team. Even more amazing, Nick is an 18 handicap. For the full story, you can Google www.simpsoncup.com for information about the Simpson Cup; plus Google Nick Kimmel, and you'll find several lines that you can click on that tells Nick's full story. Also check out the www.oucoursefoundationusa.org. It's worth the look about veterans.
